SUMMARY

Motivated PHP Developer with experience in building dynamic, database-driven web applications using PHP and MySQL. Skilled in backend development, API integration, and writing clean, secure code. Strong problem-solving and teamwork abilities, focused on delivering scalable and efficient web solutions.

SKILLS

Programming Languages: Python, MySQL
Web Development: HTML, CSS, JS, REST APIs, PHP
Tools & Platforms: GitHub, Jupyter Notebook, VS Code, Google Colab, Agile methodologies
Other Skills: Problem Solving, Analytical Thinking, Team Collaboration, Quick Learner

PROJECTS

JobLeads

- Architected and deployed a live data entry management system supporting 200+ active employees with real-time database operations.
- Developed a dynamic admin panel to monitor, manage, and audit individual employee entries with role-based access control.
- Built the application using HTML, CSS, JavaScript, PHP, and MySQL with API integrations for seamless data processing.
- Implemented secure authentication, input validation, and optimized SQL queries to ensure data integrity and performance.
- Applied structured logging, error handling, and scalable backend design to maintain reliability in a high-activity environment.

Pustakalya – Library Management System

- Designed and developed a session-based library management system using PHP, MySQL, HTML, CSS, and JavaScript.
- Implemented modules for student management, book cataloging, issue/return tracking, and promotion workflows.
- Built an interactive admin dashboard with class-wise, session-wise, and student-wise record navigation.
- Ensured data consistency through relational database design, structured queries, and transaction handling.
- Applied input validation, role control, and optimized backend logic to maintain system security, scalability, and performance.

EXPERIENCE

- Web Developer & Trainer |Mark2Fashion Tech Web Services Pvt. Ltd. (*Nov 1, 2025 – Present*) - Develop and maintain web applications, train students and collaborate with teams to deliver reliable, client-focused solutions.

CARRICULAR - ACTIVITIES

- Student Placement Coordinator | Dr. Shyama Prasad Mukherjee University: Collaborated with faculty, students, and external organizations to coordinate placement activities, manage communication, and support students through teamwork-driven planning and execution.
- Awarded Campus Ambassador Certificate for active participation and contribution to initiatives organized by the Entrepreneurship Cell, IIT Kharagpur, promoting entrepreneurship and student engagement.

INTERNSHIPS

- 45 days Internship with Elevate Labs as Python Developer.
- 4 weeks Internship with CCL.

EDUCATION

Dr. Shyama Prasad Mukherjee University, Ranchi – Master of Computer Applications (MCA), 80 % (2023 – 2025)
