Summary

MCA graduate 2025 with a strong foundation in Java and backend development. Skilled in problem-solving and working efficiently in fast-paced environments. Seeking an entry-level Java Developer role to contribute to scalable applications and grow technical expertise.

Work Experience

Legal India Taxation — Tech Intern **June 2025 — December 2025**

- Collaborated with the development team to test, debug, and optimize services.
- Worked on integrating APIs and improving system performance by 15% and code maintainability.
- Contributed to daily stand-ups.

Education

JIS COLLEGE OF ENGINEERING (MAKAUT) Kolkata, India
(Master of Computer Application **CGPA: 8.94**) ***July 2023 - June 2025***

MARWARI COLLEGE RANCHI (RANCHI UNIVERSITY) Ranchi, India
(Bachelors in Computer Application **CGPA: 8.23**) ***July 2020 - June 2023***

Skills and Interests

Experienced- JAVA, SQL, OOPS , Data Structure and Algorithms.
Intermediate- HTML5, CSS3, Javascript, Computer Networking, DBMS, Artificial Intelligence.
Familiar- GIT, GITHUB, Spring boot.
Areas of Interest- Web Development**,** Spring boot Development.
Soft skills- Creative Problem Solving, Teamwork, Leadership.

Projects

Fruits Classification and Freshness Detection using Deep Learning

- Developed a hybrid deep learning model (YOLOv8 + CNN) for fruit classification and freshness detection.
- Collected and preprocessed a custom dataset for training and evaluation.
- Leveraged YOLOv8 for object detection and CNN for freshness classification, achieving high accuracy.

Smart Console-Based Expense Tracker **(GitHub)**

- Developed a Console-based Expense Tracker Application in Core Java, implementing custom data structures of built-in collections.
- Implemented user registration, login, expense management, savings goals, recurring expenses, and reporting features with file-based persistence.

Open Library System **(GitHub)**

- It is a web based library in which peoples can register and read books free of cost.
- Languages used **HTML** – 69.4% , **CSS** – 13.4% , **JAVASCRIPT** - 0.1%, **JAVA** -17.1%

Accomplishments

- Solved **300+** questions on Coding Platforms. **(Profile)**
- Solved **500+** problems on Coding Ninjas. **(Profile)**
- Rank in **Ninja Dominator** League in Coding Ninjas.

Interests

- Cricket
- Problem Solving Games

Language

- English, Hindi, Bengali
